INDEX TO THE 1850 CENSUS OF JERSEY COUNTY, ILLINOIS

P R E F A C E

Jersey County, Illinois, was created in 1839 from Greene County, with Jerseyville as the county seat.

Jonathan Plowman, Assistant Marshal, was the enumerator. He started his survey August 15, and finished October 1, 1850. George W. Louder, Clerk of the County Court, Jersey County, administered the oath.

The census was filmed in this order:

Jerseyville, family numbers 1 through 131; Town of Grafton, 1-37; Township 6, Range 12, 1-28; Township 6, Range 11, 1-40; Township 6, Range 13, 1-2?; Township 7, Range 10, 132-218 (which finishes out the Jerseyville household numbers); Township 7, Range 11, 1-132; Township 7, Range 12, 1-89; Township 7, Range 13, 1-70; Township 8, Range 10, 1-40 (to be continued); Township 8, Range 13, 1-45 (to be continued); Continuation of Township 8, Range 10, 41-97; Township 9, Range 10, 1-51; Township 8, Range 12, 1-143; Township 8, Range 11, 1-174; Continuation of Township 8, Range 13, 46-108; Township 9, Range 11, 1-11.

We have tried to read the handwriting the best we could. Some names were impossible to read with confidence, so we then placed question marks after the spellings used. The researcher should recheck the film itself for his own evaluation of surnames in question. There are a few first names listed without surnames. These represent boarders or workers added to the family group. (Of course there is no way for such persons to appear in the index.)

Most abbreviations will be readily recognizable; it is probably helpful, however, to say that both Ia and Ind were used to indicate Indiana--where Iowa is appropriate, it is spelled out.

The following Yakima Valley Genealogical Society members helped with this transcribing project: Alpha Campbell, J. Wilbur Helm, Margaret Davis, Shirley Swart, Edna McClenaghan, Florence Smith, Evelyn Wilcox, Nellie Gipson. Jack Lines served as chairman and Robert Davis as typist.
